

## STAY SAFE! Halloween Safety Tips

Make sure your child's costume is flame retardant.  
Keep hemlines at a safe length to prevent tripping accidents.  
Have your children wear their own shoes.

Do not pass stopped cars. Look both ways before crossing.  
Watch for frequent stopping vehicles.  
Dress you child in light colors or place reflective tape on his/her costume.  
Have you child carry a flashlight or light stick.  
Accompany younger children, and have older children go out in groups.  
Children should wait until you have checked candy before eating.  
Discard anything that is homemade or unwrapped
