- Be sure electric cords from an electric knife, coffee maker, plate warmer or mixer are not dangling off the counter within easy reach of a child.
- Keep matches and utility lighters out of the reach of children up high in a locked cabinet.
- Never leave children alone in room with a lit candle.
- Make sure your smoke alarms are working. Test them by pushing the test button.

**Use turkey fryers outdoors.**

Never use them on a wooden deck or in a garage.

The diagram shows a turkey fryer on a tripod stand on a green lawn. A red double-headed arrow indicates a safe distance from a yellow house with a brown door and a window. The background is a solid blue color.

- Stay in the kitchen when you are cooking on the stove top for safety.
- Stay in the home when cooking your turkey, and check on it frequently.
- Keep children away from the stove. The stove will be hot and kids should stay three feet away.
- Make sure kids stay away from hot food and liquids. The steam or splash from vegetables, gravy or coffee could cause serious burns.
- Keep knives out of the reach of children.
