

STAY SAFE! Halloween Safety Tips

Make sure your child's costume is flame retardant.
Keep hemlines at a safe length to prevent tripping accidents.
Have your children wear their own shoes.

- Do not pass stopped cars. Look both ways before crossing.
- Watch for frequent stopping vehicles.
- Dress you child in light colors or place reflective tape on his/her costume.
- Have you child carry a flashlight or light stick.
- Accompany younger children, and have older children go out in groups.
- Children should wait until you have checked candy before eating.
- Discard anything that is homemade or unwrapped
