TRICK-OR-TREAT WITH AN ADULT

Children should always be accompanied by a trusted adult.

BE SEEN

Wear bright colors or reflective details to stay visible, especially at night.

STAY IN WELL-LIT AREAS

Use sidewalks, cross at crosswalks, and look both ways for traffic.

CHECK TREATS

Have a trusted adult check all candy before eating. Avoid unwrapped or homemade treats from strangers.

VISIT ONLY WELL-KNOWN HOMES

Go to homes with porch lights on and stay in familiar neighborhoods.

STAY CONNECTED

Keep a charged phone and make sure someone knows your route and estimated return time.

BE AWARE OF TRAFFIC

Drivers may have limited visibility. Stay alert and make eye contact before crossing.

KEEP PETS SAFE

Keep pets indoors to prevent them from becoming scared or accidentally running away.
